ANCIENT AND HONORABLE ARTILLERY COMPANY

OF

MASSACHUSETTS.

PORTRAITS OF COMMANDERS,

FROM

1638 TO 1888.

IN THREE VOLUMES.

VOL. I.

1638 TO 1738.

PREFACE.

THESE volumes contain copies of original photographs and copies of all the portraits and busts obtainable of the Past Commanders of the Ancient and Honorable Artillery Company of Massachusetts, during the first two hundred and fifty years of its existence, and are the result of careful historical research and personal correspondence with the descendants of those who commanded the Company during the seventeenth and eighteenth, and the early years of the present century, many of whose portraits probably never existed, or if so, have been irrevocably lost during the intervening years. The authenticity of the portraits in possession of the Company has been carefully verified by competent authority, and it is believed that they comprise all that are in existence. The reproduction of the portraits from the large pictures belonging to the Company was executed as a labor of love, by Mr. J. W. Black, Photographer, Boston, a member of the Company, and the volumes were arranged under the supervision of

JOHN L. STEVENSON,
BEN: PERLEY POORE,
ALBERT A. FOLSOM,
EDWARD WYMAN,
GEORGE H. ALLEN,
Committee.
